CALL FOR PAPERS

Original contributors from on-going research and unpublished research work / surveys are expected from the author. Authors are requested to submit two copies of the abstract and full-length research paper with soft copy (MS Word and PDF) in CD. The following format should be followed.

Abstract : A4 Single column not exceeding one page
Full Paper : IEEE Format, double column with single line spacing

Papers submitted without the CD will not be accepted.

DATES TO REMEMBER

Deadline for submission of Full Paper : 10.12.08
Notification of Acceptance : 25.12.08
Camera Ready Paper : 05.01.09
Last Date for Registration : 10.02.09
Conference Date : 20.03.09

REGISTRATION FEE

Participants from Industries : Rs.1500/-
Academics : Rs.1000/-
Research Scholars : Rs.900/-
P.G. Students : Rs.750/-

The fee should be sent by D.D in favour of "Velammal Engineering College, Chennai", payable at Chennai. The fee includes conference materials, refreshments and lunch. For each paper to be published in the proceedings, atleast one of the authors of the accepted paper has to register for the conference.

ONE DAY - NATIONAL CONFERENCE

ON

INNOVATIVE TECHNIQUES IN POWER ENGINEERING & DRIVES

ITPED-2009

20th March 2009

Organized by

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

Velammal Engineering College
Velammal Nagar
Ambattur-Red Hills Road
Chennai-600 066
TamilNadu, India.
Ph:(044) – 26591860, 26590579

ABOUT THE COLLEGE

Velammal Engineering College (VEC) is chaired by Thiru.M.V.Muthuramalingam, a professional engineer and a proven personality with hands-on experience in imparting perfect education to more than 45,000 students every year through 14 educational institutions that belong to Velammal Educational Trust, which was established in 1986. The college is located in Ambattur - Red Hills road in Chennai. VEC is approved by AICTE, New Delhi and affiliated to Anna University. It is an ISO 9001:2000 Institution and also accredited by NBA. VEC is ranked within top 5 institutes consistently among 275 Engineering Colleges in Tamil Nadu. The College offers 8 UG and 11 PG programmes.

ABOUT THE DEPARTMENT

The Electrical and Electronics Engineering Department was established as a full fledged department in the year 1995. The Department offers 4-Year UG course with an intake of 120 and 2-Year PG program (M.E. Power Systems Engineering) with an intake of 18. The UG course is accredited for 5 years and PG course for 3 years by NBA. The Department is aiming at the development of student community to face the future world with the latest technical knowledge through research, good leadership qualities, industry-institution interaction and spirit of competence. The Department is equipped with well qualified and experienced faculty members imparting high quality of discipline and engineering education. The department is fully equipped with state of the art laboratories. The Department computer centre has the most versatile, powerful and widely networked computer systems with software like Mi Power 5.0, MATLAB 6.5, ETAP 5.5.0 and PSCAD 4.2.1.

PARTICIPANTS

Faculty members of Engineering Colleges, research scholars, PG students and professionals from R&D organisations / industries.

OBJECTIVE

This conference offers a forum for the exchange of scientific and technical information related to the latest trends in the field of Power Systems, Power Electronics and Drives.

TOPICS OF INTEREST

- Soft Computing & Power Quality
- Optimization of Power Conversion & Energy Management
- Recent Trends in Power Systems
- Power System Automation, Operation & Control
- Power System Modeling & Analysis
- Transients in Power Systems
- Power System Reliability
- Conventional & Non-conventional Energy Sources
- Load Forecasting
- Artificial Intelligence Techniques & Applications
- FACTS, EHVAC, HVDC & EHVDC
- Digital Control of Electric Drives
- Reconfigurable Motor Drives
- Special Machines
- Sensorless Drives
