of English, NIT, Trichy

ONE DAY

National Conference on TECHNOLOGY ENHANCED LANGUAGE LEARNING

TELL-09

27 MARCH 2009

Organised by
Department of English
Velammal Engineering College
(AN ISO 9001:2000 Certified and Accredited Institution)
Ambattur-Redhills Road, Surapet, Chennai-66
WEB : www.velammal.org

ABOUT THE COLLEGE : Velammal Engineering College (VEC) established in 1995, affiliated to Anna University Chennai, is situated 25km from Chennai Airport. VEC is one among the top five self-financing engineering institutions amongst 340 colleges in Tamil Nadu. This institution is ISO 9001:2000 certified and NBA accredited. There are 8 UG programmes and 8 PG programmes. The institution is vibrant with R&D cell - TIFAC-CORE, Placement and Training Cell, IIPC and cutting-edge laboratories.

ABOUT THE DEPARTMENT : The department focuses its attention on the needs of future engineers by imparting quality Technical English, Business English and Communicative English. The department is well equipped with state-of-the-art language laboratory, which plays a vital role in improving students' communicative skills. The department also offers foreign language courses for the first year students in collaboration with Pentasoft Technologies Ltd.

ABOUT THE CONFERENCE : The technology revolution seems to influence almost all the aspects of teaching and learning process. Starting from curricular objectives to lesson planning, from pedagogical considerations to capabilities of hardware and software combinations and from teacher training to software applicability, technology rules the roost.

This conference focuses on different issues pertaining to employing the technologies in language teaching and learning which is no more an optional extra component on the conventional language course. It is our fervent hope that this conference would offer sufficient insights into the key areas and make the processes of teaching and learning an enjoyable experience.

THEMES

- ? Technology and change in English language pedagogy
- ? Theoretical basis for CALL instruction and design
- ? Use of CALL for four skills
- ? Innovations in language teaching
- ? Incorporation of internet activities into English language learning
- ? Computer Assisted Language Learning (CALL) Materials
- ? Multimedia computer based materials
- ? Managing a multimedia language centre
- ? Self access language learning centres
- ? Virtual classroom management
- ? Students' perceptions on language learning in a technological environment

- ? Effects of technology assisted instruction on different learners
- ? CALL and Computational Linguistics

CALL FOR PAPERS

Authors are requested to send the full length paper both in hard and soft copy. The abstract/full length paper has to be submitted by E-mail, preferably an attachment file (word Document). Acceptance will be informed through E-mail after peer review. The full length paper should be a maximum of 8 pages in the following format.

Margins : 1" on all sides
Font : Times New Roman 10
Title : Bold 14
Subheadings : Bold 12

Single line spacing, Double Column

The Papers shall be sent through E-mail followed by the soft copy through post/courier along with the hard copy.

IMPORTANT DATES

Submission of Abstract : 31.01.09
Intimation of Acceptance : 14.02.09
Submission of Full Paper : 24.02.09

REGISTRATION FEE

Delegates from Academic Institutions : Rs.500/-
Research Scholar/Students : Rs.200/-
Foreign Delegates (Faculty) : \$100
Foreign Delegates (Research Scholar/Students) : \$50

The accepted paper will be published in the proceedings. All the participants are requested to register for participation. The registration fee should be paid by Demand Draft in favour of "The Principal, Velammal Engineering College, Chennai-66", Payable at Chennai.
